

2021 HASD&IC Virtual Annual Meeting Week November 15-18, 2021

As our region's health care system continues to meet the demands of COVID-19, the importance of workforce, operational sustainability, safety and security, and assuring capacity to meet the needs of our community have all escalated in priority. Although we were unable to gather in person this year, our virtual event provided an opportunity to reflect on the year past and learn from colleagues and community partners, as we work together to address these challenges.

*Dimitrios Alexiou, FACHE
HASD&IC President & CEO*
