Chula Vista Donation Location

386 H Street, Suite 210, Chula Vista CA 91910

This site is expected to see hundreds of blood donors each month, impacting thousands of lives each year.

Help us celebrate this important milestone in our continued mission to meet the healthcare needs of our community.

Local business owner Anjanette is the founder, Artistic Director, and CEO of Maraya Performing Arts. After leaving a Pilates class feeling unwell, a routine call with her doctor led her to the ER, where she was diagnosed with leukemia within 48 hours. During the three years she was in treatment, she received multiple blood and platelet transfusions. Today, she is cancer-free, pursuing her passions, and is an amazing inspiration to us all.

Please RSVP to marketing@sdbb.org or (619) 455-7785.
Thank you for supporting our lifesaving mission.
