

# Healthcare Barriers for Gender– Diverse Populations

*A 60-minute online training to give you a better understanding of the legal background of the LGBTQ+ community and the barriers to accessing health care they face.*

## **Objectives:**

By the end of this experience, attendees will be able to:

- Understand LGBTQ+ rights and protections for accessing and receiving health care.
- Understand LGBTQ+ community's barriers to accessing adequate and competent health care.
- State how barriers to health care results in subsequent health disparities in the LGBTQ+ community.

## **Presenters:**

**Dr. Jill Blumenthall:** (she/her)

*Associate Professor of Medicine, UCSD Medical Center, Antiviral Research Center*

**Antonio Page-Kahn, JD** (he/him/his)

*Staff Attorney, Consumer Center for Health Education & Advocacy, Legal Aid Society of San Diego, Inc.*

---
