

# Become a patient access representative!

This essential role guides patients through the admissions process by screening them for eligibility, answering questions and preparing patient information for clinical staff.

Our no-cost Healthcare Administration Pathways program offers a three-month accelerated path to a meaningful, in-demand, entry-level healthcare administration position. Average starting pay is between \$18.50 and \$20 an hour.

Participants will receive training in:

- Patient check-in and registration
- Calculating out-of-pocket costs for patients
- Healthcare information management and clinical documentation
- Healthcare best practices
- And more!
