

ASSOCIATE MEMBERSHIP

Associate Members are companies or organizations interested in or active in the field of health care, as defined below, and aligned with HASD&IC's purpose to help member hospitals provide high quality health care and to improve the health status of the communities they serve. Associate Members provide financial support for association activities and programs and are non-voting members. The granting of Associate Membership does not in any way constitute an endorsement of services and/or products.

The primary conditions for membership:

- An interest in the purpose of HASD&IC.
- Provision of two references from HASD&IC members (hospitals or health care systems).
- Demonstration of service to the industry.

Application Process

Applications for associate membership are subject to review by the Executive Committee. In reviewing applications, there may be requests for additional information or material. Applicants will be notified of membership effective date. Completed membership application forms should be sent to Membership Services at Hospital Association of San Diego & Imperial Counties, 5575 Ruffin Road, Suite 225, San Diego, CA 92123.

The purpose of associate membership is to serve organizations doing business with member hospitals. Services shall include information services and networking opportunities. The granting of an associate membership does not in any way constitute an endorsement of services and/or products by the Hospital Association of San Diego & Imperial Counties. Use of the HASD&IC logos or any statements of endorsement without consent of HASD&IC shall result in loss of membership and possible legal action. Associate Membership is limited to those organizations ineligible for organizational or related membership.
